Operating Terms

19. The client's trading equity is divided into 2: **The client's Balance and Credit (Bonus)**. Balance and Credit are combined to use as margins to support trading positions.
20. Realized profit and loss generated in trading are being credited/deducted from the client's Balance.
21. Liquidation of trading positions goes by the formula:

The formula: Floating loss in P&L \geq Balance
